The only point in favour of the request is that some of our Students are likely to go to the College for education. The Case is somewhat similar to that of the Benares University. I would recommend a grant of 5000 Rs.

The Hon'ble Rao Bahadur Shrinivas K. Rodda prays for a grant to enable the Karnataka College Association of Dharwar to start a College. The Council are of ---- opinion that a capital grant of Rs.5000 may be sanctioned. The Financial Secretary considers the grant would be unobjectionable on condition that at least 10 seats are reserved for Mysore candidates.

(2) I was originally opposed to the grant of any monetary help from the State for such a purpose. But the amount proposed by the Council is small and in my opinion it would not add to the prestige and dignity of the ----- State to make any contribution if it is to be so small. And we would not be justified in making any large ---- contribution.

(3.) If, however, His Highness is inclined to sanction the recommendation of the Council, orders will issue ---- accordingly.

The Bombay Karnatak is the only division in the whole of India which has not a College of its own. - Students from the Karnatak have now to go to distant places in search of higher education and many brilliant but poor students are prevented for want of means from receiving any higher education at all.

There are at present 461 students from the Karnatak in the Arts Colleges of Poona and Bombay and the esta--blishment of the Karnatak College will materially - relieve congestion in the Colleges.

The question of the Karnatak College has been placed before Government from time to time and a unanimous resolution was passed in the Legislative Council recom--mending Government to consider the question. The -

Government have throughout been extremely sympathetic and they have consented to start the College on receiving from the people an initial subscription of 2 lacs.

Government referred the whole question recently to the Bombay University and the University passed a Resolution unanimously in favour of the Karnatak College.

In accordance with the wishes of the Government a Fund has been started by the Karnatak College Associa--tion and Rs.62,000/- have been already collected. On behalf of the Lingayats Rao Bahadur Artal has promised a donation of a lac and he has already collected it in aid of the Karanatak College.

The Karnatak College of Dharwar will be in a way an additional Arts College for the Mysore Province. Many Mysorians are studying in the various Arts Colleges of Bombay and Poona at present;but they have to undergo many difficulties in these distant places, the language of which they do not in many cases know. In Dharwar they will be with their brethren, in a country speaking the same language and observing the samecustoms.

His Highness the Maharajah of Mysore and his pre--decessors have always taken a keen interest in the wel-fare of the Bombay Karnatak and the Kannada language.

It is humbly hoped that His Highness the Maharajah of Mysore may be pleased to take some interest in the Karanatak College Movement also.

Kindly consult His Highness' wishes and let us know the time suitable to him to receive the deputation.

I beg to remain,

Sir

Your obedient servant,
